

Highland Games

The adventure begins!

Work closely with your team to get the best chance of winning. The highland games event include various games in which you have to prove yourselves as a team, that you're true highlanders.

Together with your clan you'll meet your employees' teams in different competitions. The highland games contain many diversified games, like tossing the caber or whiskey tasting. Master all challenges – but there can only be one winner!

The special atmosphere of the event and the appreciative experience in nature will be a long-lasting memory for you and your team.
